celebrate the fourth
annual art exhibit
*About New York: Sights
and Sounds of the City.***

This engaging art exhibition is presented by the Mercy College Library, and this year we invite you to join us for an artists' reception. Enjoy the wood carvings of Deborah Mills, the silks and quilts of Tatiana Ivina, and the joyous paintings of Michail Gubin and Vitaliy Veksler. Come chat with the artists and participate in the exquisite multiplicity that makes our city unique. Original music composed by Mercy College students creates the perfect ambience—and light refreshments complete a delightful evening of relaxed stimulation.
